Small Groups Connecting
"We were strangers that have become family. We have been meeting all year and decided that we wanted to do something in the world together. We met on Saturday to circle Orange County in prayer. At St. Andrew's we prayed that our church would be a light for Christ. At lookout point in CDM, we prayed that faith, ours and others, would grow. Fashion Island reminded us to share our faith everywhere through kindness and prayers. The waves affirmed God's always present provision when life crashes down on us. We concluded by affirming that we are a camp of believers with a mission to help bring more people to the resurrecting water of Christ." - Bret Hanson

Dr. Bryan Eckelmann, as we study the first six chapters of the Book of Acts. By looking back at the Church's beginnings, we can more clearly see the future God has for us.
