Hugs from the Father, a free, two-part estate design seminar, will show you how to begin your review process. A recent survey concluded that over 70% of existing estate plans could be substantially improved. So regardless of how long it has been since you completed your plan, or how much it cost to have it drafted, this seminar will be important to you. The two-part seminar will be held at 6:30 p.m., November 15 and 30, at St. Andrew's Presbyterian Church, and will be approximately 2 hours in length each session. *There's no cost nor obligation. To register*, please call Shawn Reilly, Minister of Administration and Stewardship, at the church office, 949.631.2880.

You already have an **estate plan**. But has it been reviewed lately?

This is in partnership with Lifestyle Giving, Christian Stewardship Foundation and Kingdom Advisors.

"Elaine and I had already done fairly extensive estate planning but this was an excellent review and did result in a couple of key changes with our plan. Ray was very easy to work with. I recommend that you take advantage of this free opportunity."

Pen Pal Ministry

Would you like to know what 6th graders are thinking and learning? We are beginning our sixth year in a pen pal ministry with the 6th graders at Newport Heights Elementary School. You will be assigned a student who will write you a letter telling about his or her life and asking about your life when you were growing up, and you will respond. Most pen pals exchange four or five letters during the school year. In May, the students and their pen pals meet each other at the school. It has been a very rewarding and special experience to share the past with these eager kids. This is a community outreach program with such a small contribution for a large return. Our chapels take place in Grace Chapel the first Wednesday and Thursday of every month at 9:15 a.m. If you are in the area, stop by and see the love of Jesus through our preschoolers. The Jr. Kindergarten classes had a costume parade through the halls of St. Andrew's on October 29. They visited many offices and put smiles on many faces. Our theme for November is friends, feast, and fellowships. We will be talking about how to be a friend and how we have a friend in Jesus. We have one opening in Jr. Kindergarten (for children turning 5 yrs old by Dec 2) and two openings in our 2 day program (T/TH). Connect with Diane at 949.574.2232 or dianej@sapres.org for more info or to schedule a tour. Janice Zorn's new email is janicez@sapres.org

WATCH

October's rain didn't stop the WATCH Program from having fun, it made for lots more creative play. The month also started with some fun clubs for the WATCH kids, like the Cooking Club and the Rock Band Club with drummers, guitarists, keyboard players and singers. Wednesday Christian Ed group is moving through the Bible to spend time with Joseph, Moses and David and hear how God had plans for each of them and why that matters to us. Why? To help us understand that "God is at work in the world and God is at work in each of us!" The traditional WATCH Fall Festival was held on October 29. The staff planned lots of fun activities for the afternoon. We are looking forward to some fun "Full Days" at WATCH in November. The WATCH afterschool program at St. Andrew's is a Christ-centered tuition based program committed to serving the community with quality after school care. some great wikifaith questions

WikiFaith (September 11 -31) was an exciting sermon series. Here are some great questions that were either texted in or written in after services and answered during Wednesday Night Together Bible Study. To hear more questions and answers, visit www.sapres.org/media/recent-sermons/.

Is it due to my unbelief that my prayers go unanswered?

How do you explain the fear of the Lord to someone who has no belief in God?

While it is easy to explain creation in congruence to evolution, how do we explain the story of Noah's Ark to Atheists?

How did the serpent get into the garden and did God create him?

Can you feel guilt and shame without committing a sin?

Are tattoos a sin?

Why does it seem that strong Christians have more trials in their lives than most secular people?

Why doesn't God minimize suffering for people?

Is it wrong to fear death?

How does our concept of Jesus coming to establish His kingdom in the second coming, fit with the prediction that when our sun runs out of hydrogen, the earth will be distinguished?

Are there animals in heaven, and what did you (Richard) tell your daughters when the (family) dog died?
