## GETTING STARTED

- What was your first concert?

OPENING THE DISCUSSION: Try recapping the sermon together in about a minute or two then ask the following questions:

- What from this message do you think people (or yourself) most need to understand or embrace?

DIVING DEEPER: Everybody follow along in their Bible or Bible app:

- Read Revelation 5:11-14.
  - After reading, carefully look at each verse in your Bible. What pops out to you?
  - Worship is described in numerous ways? What do you think of this example in Revelation?
- Re-read Revelation 21:1-4 + Acts 16:16-40
  - What is John (Author of Revelation) saying about God's glory and power?
  - What do these two passages have in common?
  - What do these two passages say about worship and trust?
  - How do these verses impact you directly?

APPLYING IT IN REAL LIFE:

- What can you do this week to better equip yourself for what God is calling you to?
- How are you praying and interceding for those around you who do not know Jesus?
- What are you doing to rid of yourself and selfish ways to allow God to work through you?
- What is holding you back from trusting God?

SHARING & PRAYER REQUESTS (for the small group to share with each other). This may be the most important part of your time together - to enter the throne room of our Lord together, sharing burdens, celebrations, carrying one another. Prayer: Heavenly Father, send your Spirit to help me with the decision to follow you. Give me the courage & faith to trust fully and follow the path to know the way home in a new and fresh way. Amen
