Because we know you're busy, we want to make the most of your time, we have determined
SIX UNIQUE WAYS
you might get involved with YOUTH at St. Andrew's!

"PC" PEOPLE CONNECTOR

We need someone who:

- can commit to 2-4 hours a week mid-day (2 days during lunch would be awesome!)
- love to make people welcome
- know their way around a BBQ

We have around 200 local high school students on our campus every day. They just hang out! We also make Thursday's special by hosting a student BBQ during lunch. WE WOULD LOVE IT IF YOU would warmly welcome, connect, and serve food to our local students. What an opportunity to show them that St. Andrew's is a loving and safe environment!

SERVICE LEADER *RUNNER

We need someone who:

- are friendly and take initiative
- are positive and have a great attitude
- know their way around a BBQ

Our Weekend Services are the FRONT DOOR for our ministry. Every week, hundreds of students come to St. Andrew's looking for a friendly and warm place to find acceptance. Our Service Leaders help fill the important gaps in service that make ministry happen! Think Check-In, Snack Shack, playing video games with students, Running Group Games, etc.!

SMALL GROUP LEADER

We need someone who:

- care for others
- are willing to connect deeply with a few students
- listen well & guide students closer to Jesus

Our small groups are the BACKBONE of our ministry. As a small group leader, you'll meet with 5 to 12 students once a week. We'll provide you with curriculum (and the students!). This commitment requires about two and a half hours every week during the school year.

AN OFFICE DO-ER

We need someone who:

- can breathe
- can move at least two finger
- are excited to jump in and learn

You might not have the time or patience to work with students, and that's OK! We'd love for you to help us with some behind the scenes work.

CORNER CAFE

We need someone who:

- will take orders, handle money, serve food, clean up, and smile at students
- can jump in, no experience necessary

The Corner Café will be an amazing place for our students and their families to get a bite to eat and hang out after weekend services...at a price that is reasonable. We can't provide this without the help of volunteers!

THE TECHY TYPE

We need someone who:

- know tech or are willing to learn

If you love tech (or just being an introvert) we would love to have you help with slides, sound and all other aspects of our tech world. No experience necessary, but patience with middle/high school music tastes is required!!

**THANK YOU FOR YOUR INTEREST!
WE REALLY APPRECIATE YOU AND YOUR HEART.**
