

## HOMEWORK FOR January 16, 2024

- 1) Take time this week to page through the New Testament. Get acquainted with the order of the “books” of the New Testament.
  - What are some of your favorite stories from the gospels? List them.
  - What are meaningful letters or chapters/verses from various letters? List them.
  - What are some parts that you may have never fully understood before, or you might feel a little resistant to?
  
- 2) Of any of the “favorites” you selected above, choose one.
  - Read it five times in one sitting, using a different translation of the Bible than you normally use. Find five new observations about the Scripture.
  - Read John 3:16 and see how many observations you can make about this verse.
  
- 3) Find a New Testament scripture that refers directly to or quotes an Old Testament scripture. Look up that cross reference in the Old Testament. How does knowing the Old Testament help inform the New Testament?
