

WEEKLY GUIDE

Oh Lord, I praise you for the revealing of your will and character in your Word. I approach this time of reading with an expectant spirit, anticipating the gift of learning more about You. I admit I don't always understand nor apply all that I learn, and sometimes I lack the desire. Please give me ears to hear and eyes to see. Help me to guard my time from distractions and clear my mind of other concerns. May your Spirit bring the words of Scripture alive to me. Help me to be open to how You want to transform me through your Word. I thank you for your Word expressed through Jesus Christ, and I pray this all in His name, Amen.

Read. At least once over the course of the week, read the assigned Scripture. If possible, read once per day, maybe referring to a different translation each day. (A great tool for this is Biblegateway.com.)

Reflect. What insights come up for you? (a key word, phrase or idea). What questions come up for you?

React. Is there an action, practice, or prayer that you might feel compelled to as a result of this Scripture?
