MARK 10:17-29

←—————→
Following Jesus; Can I do it? Is it worth it?

Before you begin your time together, start with prayer.

- **What does it mean to you to be a disciple?**
- **What stood out to you in the sermon?**
- **In reading the scripture, what is your first reaction?**
- **Like Peter, what questions would you ask Jesus in this story?**
- **Matthew 18:21-22 - Jesus is inviting Peter into radical forgiveness and abundant mercy - what is Jesus inviting you into? How is he calling you to treat those around you?**

Jesus forgives widely and give it personally.

- **What can you learn from the interactions between Peter and Jesus that Jason highlights in the sermon?**
- **How are you similar to Peter? How are you different?**
- **What does it look like for you to fully surrender to Jesus?**
- **Even if you are a seasoned disciple, what do you need to continue to surrender over to Jesus? Do you believe you can walk with him in it? Do you believe it is worth it?**

Further Thought On the Subject:

- **What does it mean for you, when Jesus says' "Follow Me"?**
- **Read John 21:15-25 together, what about this interaction rings true for you? What can you learn about the love of God for you from this story?**
- **How can you pray for each other in your group?**
- **Prayer for Jason, Jessica and their family as they transition to California. Thanksgiving for the faithful work God has begun.**
